TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior to promulgate regulations under this chapter relating to fostering of competition for Federal leases, implementation of alternative bidding systems authorized for award of Federal leases, establishment of diligence requirements for operations conducted on Federal leases, setting of rates for production of Federal leases, and specifying of procedures, terms, and conditions for acquisition and disposition of Federal royalty interests taken in kind, transferred to Secretary of Energy by section 7152(b) of Title 42, The Public Health and Welfare. Section 7152(b) of Title 42 was repealed by Pub. L. 97-100, title II, §201, Dec. 23, 1981, 95 Stat. 1407, and functions of Secretary of Energy returned to Secretary of the Interior. See House Report No. 97-315, pp. 25, 26, Nov. 5, 1981.

§ 360. Authority to manage certain mineral leases

Each department, agency and instrumentality of the United States which administers lands acquired by the United States with one or more existing mineral lease shall transfer to the Secretary of the Interior the authority to administer such lease and to collect all receipts due and payable to the United States under the lease. In the case of lands acquired on or before October 24, 1992, the authority to administer the leases and collect receipts shall be transferred to the Secretary of the Interior as expeditiously as practicable after October 24, 1992. In the case of lands acquired after October 24, 1992, such authority shall be vested with the Secretary at the time of acquisition. The provisions of section 355 of this title shall apply to all receipts derived from such leases where such receipts are due and payable to the United States under the lease in the same manner as such provisions apply to receipts derived from leases issued under the authority of this chapter. For purposes of this section, the term “existing mineral lease” means any lease in existence at the time land is acquired by the United States. Nothing in this section shall be construed to affect the existing surface management authority of any Federal agency.

CHAPTER 8—DEVELOPMENT OF LIGNITE COAL RESOURCES

Sec.	
401.	Establishment of research laboratory; duties.
402.	Acquisition of lands and property; utilization of voluntary services; cooperation with other Federal, State, and private agencies.
403.	Repealed.
404.	Establishment of an advisory committee; composition and appointment.

§ 401. Establishment of research laboratory; duties

The Secretary of the Interior, acting through the United States Bureau of Mines, is authorized and directed to establish, equip, and maintain a research laboratory in the lignite-consuming region of North Dakota to conduct researches and investigations on the mining, preparation, and utilization of lignite coal and to develop new scientific, chemical, and technical uses and new and extended markets and outlets for lignite coal and its products. Such laboratory shall be planned as a center for information and assistance in matters pertaining to conserving lignite coal resources for national defense and security; to the more efficient mining, preparation, and utilization of lignite coal; and pertaining to safety, health, and sanitation in mining operations and other matters relating to problems of the lignite industry.
